Delano, MN 55328

## **Bird House Building**

Spring at the club means it's time to start building bird houses!

This year, birdhouse building will be at the club on April 29th, starting at 9:00am. Bring a hammer and a desire to help build! This is a great oppor-

tunity for families to build houses together, so bring the kids/grandkids!

If you are available or interested in helping pre-cut parts for April 29th's event, please contact Larry Lindborg at 763-567-8347.

## **Raffles!**

The summer Raffle has begun. Books were mailed out in the last week or so.

Tickets are \$2 each or \$10/book. If you sell 20 books, you've met your volunteer requirement for the year! There's also a \$75 prize for the person selling the most books! Raffle will be September 26th. The prizes are:

1- Beretta A300 12ga Shotgun, Kimber

1911, or \$500

2- \$250

3- \$100

Contact Jan for more books at 763-972-2989.

This is another great fundraiser (and if you buy them yourself, you might win something cool!).

## **JULY FOURTH!**

There's a lot going on for the July 4th celebration!

First, if you're interested in learning from Joe Kittok, the details of planning our July 4th activities; contact Joe at 763-221-6658.

Next: Delano Club Float! We need a crew to design and decorate the float on Sunday, July 2nd or Monday, July 3rd. We also need someone to drive the float in the Delano 4th of July Parade.

If you can help with either (or both) of these, please also contact Joe Kittok

at 763-221-6658.

Finally—for now; Shifts are now being posted for the Milkshake and Bingo Booths. You'll find the open shifts on Page 5 of the newsletter. Each month, we'll update it. If you have questions about volunteering at the booths, or want to sign up, call Jan Kittok at 763-972-2989.

July 4th is a good place to get your volunteer hours in, and a good fundraiser for the club, so be sure to participate if you can!

## The Delano Sportsmen's Club

### Club Officers:

- President: Tom Delaney 612-408-8944
- Secretary: Dan Kittok 218-820-1155

Questions about firearm legislation (federal or state)? You can get more information from Dan MacDonald at: 952-454-3440 or by email at: [yellowdogrescue@gmail.com](mailto:yellowdogrescue@gmail.com) , or Dave Smith at 763-557-6970 or email at [ddsns@outlook.com](mailto:ddsns@outlook.com).

## The Delano Sportsman

Published monthly, January– November by the Delano Sportsmen's Club

Businesses or members wishing to advertise may place an ad in the newsletter once per year at no charge. Ad space is limited to 1/4 page. For advertising information contact Editor Bob Ball at 612-363-3936 or [editor.dsc@comcast.net](mailto:editor.dsc@comcast.net).

### Story Ideas:

You can submit a story or photos from the range or club activities! Just contact editor Bob Ball at:

[editor.dsc@comcast.net](mailto:editor.dsc@comcast.net)

**The deadline for story or advertising submissions is the 8th of each month.**

### Caps for Sale

The club has caps with our logo for sale at club meetings. They are \$15.00 each. See Joe Kittok.

### Standing Committees:

- Executive Board: This is a closed committee consisting of current officers and directors. It makes decisions on matters related to the club and presents recommendations to the membership. Director: Club President

## New Members

Welcome to the club! We hope you enjoy many days, months and years of safe and fun shooting!

Amy Nelson, Kevin Mattson, Nicholas Eldred, Kevin Brown

## We're on Facebook!

If you're on social media, you can find us on Facebook at: <https://www.facebook.com/DelanoSportsmensClub/>

. If you want something posted, contact Steve Pool at [pool565rockford@hotmail.com](mailto:pool565rockford@hotmail.com).

## Summer Camp

There are still some spaces left for your children/grandchildren who are interested in attending Deep Portage camp up north, or Forkhorn camp—a day camp through Three Rivers Park District here in the metro, courtesy of the club! Please contact Jan Kittok if you have any questions or wish to sign up your child/grandchild.

# Minutes of the February 28th Meeting

21 members present - the meeting called to order at 7:00 PM by Secretary Dan Kittok

Secretary's report - Minutes of the January 31, 2023 meeting were approved as written in the newsletter.

Treasurers report - debits \$13,529.78; credits \$6,250.00; checking balance \$113,828.31. Joe explained that sales tax is required to be filed every month now. Joe talked to our lawyer regarding the back taxes appeal and the lawyer has not heard anything yet.

Trap range update - Mark Bauman updated the club on the new trap range. Mark is searching for concrete contractors. He contacted one company that said they weren't interested in the project and another company never got back to him. If you know of any concrete contractors, let Mark know. The club has hired a consultant to help us with the storm water pollution prevention plan for the new range.

Farm property - The vehicles in the low spot have been removed. There is a wagon that will be removed soon. Joe tore apart a motor home for scrap. He will get a dumpster to put it in. Joe said he will fulfill the rest of last month's motion by May 1st.

4th of July - The fourth of July committee has been meeting monthly. Joe Kittok said that things have been coming together. They have hired the entertainment. There is a plan to replace the beer stand and incorporate the milk shake booth in it. The celebration will be five days this coming year. Joe Kittok is still looking for an assistant to help him. If you are interested contact Joe.

Trap Leagues - Winter league is on their last week of shooting. Summer league will start late April/early May.

Summer raffle - Tickets for the summer raffle are at the printer and will be done soon. Once completed they will be sent out to everyone. An inquiry was made to increase the amount paid to the high ticket seller from \$75 to \$150. A motion was made but it did not get a second so the motion did not pass.

Membership - The club had about 100 members that did not renew their membership in 2023. The club still has around 500 members.

Women's League - the February class was held and the topic was training on situation awareness. March will be mastering hand gun proficiencies. April will be self defense shooting fundamentals.

Larry Lindborg updated the club on tree ordering this spring. All ordering will be done on line now.

Bird house building will take place on April 29th starting at 9:00 AM. Larry Lindborg is looking for volunteers to help cut lumber. Call Larry if you are interested in help-

ing. The club will get enough supplies to make 30 wood duck and 30 blue bird houses this year.

MNGOPAC/GOCRA - Dave Smith updated the club on gun legislation. On March 23rd there will be a rally at the capital. The club has rented a bus to take members to the rally. Contact Dave Smith or Tom Delaney to reserve a spot. Dave started a petition to stand against a bill that would require registration of every semi automatic firearm and requested club members to sign it.

Range and Clubhouse Reservations - Delano Boy Scouts - range - April 29th from 9:00 AM - 1:00 PM. Delano Boy Scouts - club house - April 29th from 8:00 AM - 10:00 AM. Connecting Outdoors - club house - April 14 from 3:00 PM - 10:00 PM. All reservations were approved.

Firearm Safety registration will take place on Monday, March 20th. Classes will start on Tuesday, March 21st.

Summer Camps - the club will again sponsor students to attend Forkhorn camp or Deep Portage camp this year. Two kids have signed up already, there are eight spots left.

Lunch was provided by Coborns.

There being no additional business, the meeting was adjourned at 7:30 PM.

Respectfully submitted, Dan Kittok, Secretary.

***Thanks for the Lasagna from Coborns. It was great!***

***We still need volunteers to prepare meals***

***April & June-November 2023! Food cost is reimbursed up to \$150! It also meets your annual volunteer requirement. If you're interested or have questions, contact Mike Larison 763-645-4884***

## Women's Shooting Group: DSC "She Shooters"

Join our women's shooting group! Open to members and guests 21 years of age or older. We meet once a month for live fire and/or classroom training. Women of all skill levels are welcome:

She Shooters meets the **third Thursday of the month**, locations vary and are announced in advance

Classroom events are held at the Delano Sportsmen's Clubhouse 6:00-8:30 pm, 4505 County Road 50 SE Delano 55328

Suggested event donations are \$10 for DCS members and \$15 for non-members. Our instructors and RSOs are all volunteers. We rely completely on donations. If you are so inclined, any amount over and above the suggested is appreciated!

### Upcoming Events- Mark Your Calendar:

The next two months (March and April) we will be getting ready to hit the range. These will be "hands on" workshops. Goal is to train and brush up on fundamentals, further develop pistol handling, marksmanship and self-defense shooting skills... YES the snow will eventually melt and we can finally get OUTSIDE!!

If you haven't been with us for a while, this is a great time to jump back in! If you are new, we welcome you to join us whatever level you are at!

**Thursday, March 16:** Proficiency & Purpose: Mastering Handgun Proficiency and Effective Range Training

**Thursday, April 20:** Getting Range Ready: Self Defense Shooting Fundamentals

\*PLEASE NOTE the topics are subject to change depending upon the weather and when we are able to get out on the range to begin the shooting season.

*"Hello Ann, Just wanted to express my appreciation for all the effort you and the RSO's did to make my evening last night very enjoyable. I was apprehensive about shooting but now with the instruction and encouragement received by all of you it was FUN."*

To join or for more information, contact Ann Finelli at [dscwomenmn@gmail.com](mailto:dscwomenmn@gmail.com)

## Itasca County Resolution Divides Residents

*From the Star Tribune:*

The Itasca county board approved a gun-rights resolution on February 21st, before a packed board meeting. The resolution opposes any new state or federal laws that infringe on the 2nd Amendment.

What made this divisive in a largely rural county was that the resolution was added to the board's agenda only 2 hours before the meeting. While legal, it's an unusual move for any resolution that is likely to spark debate within the community. The county hasn't said how only supporters of the resolution managed to be aware of the short-notice addi-

tion.

A week later, the meeting was again packed. This time with residents angry that the board did not provide adequate notice. They pointed out that the people of Itasca county said are tired of the government "shoving stuff down Itasca county citizen's throats", but the Itasca county government chose to do the same. Some also spoke against the resolution, but no other action was taken.

Since it's only symbolic, it has no legal bearing on gun rights.

## Texas Relaxes Concealed Carry Law

*From the Star Tribune:*

A Texas court has ruled that the age for a concealed-carry permit (21) is unconstitutional. The appeal by the Texas Department of Public Safety was dropped. Adults 18 and

older may now apply for a concealed-carry permit and purchase a handgun as well as a long gun.

Family members from Uvalde have proposed legislation raising the age for long-gun purchases to over 21.

## Firearm Estate Auction Bidding opens March 25th

Paul Desens was a longtime club member. He passed away last February. His family is holding an auction of his firearms in March.

A catalog will be going out in March. A quick preview shows a variety of over 100 antique/historic conventional handguns and rifles, as well as a large collection of black powder rifles and pistols (both percussion cap & flintlock). NOTE: these look to be the kind of black powder I grew up with (replicas of the ones from the 18th & 19th century) not “modern” muzzleloaders. There are also a number of black powder parts and accessories available.

More information can be found here:

<https://www.aasnessauctioneers.com/auction-listings/large-firearms-memorabilia-estate-auction/>

There’s a link there to contact the auctioneers to register and receive a catalog.

## July 4th Volunteer Shifts

**Friday June 30th, 2023**

- Milkshake: 4pm-8pm  
8pm-Midnight
- Bingo: 4pm-8pm  
8pm-Midnight

**Saturday, July 1st, 2023**

- Milkshake: Noon-4pm  
4pm-8pm  
8pm-Midnight
- Bingo: Noon-4pm  
4pm-8pm  
8pm-Midnight

**Sunday, July 2nd, 2023**

- Milkshake Noon-5pm  
5pm-10pm

## 2023 TREE PROGRAM

### Tree Program Participant,

It's that time of year again, as evident by all the emails and phones calls I have been getting, inquiring about this year's program. Well, here it is. New this year we are trying to modernize the program with the use of an online ordering process. This year there is not a paper order form included with this letter, you will have to use the QR code or navigate to the "Tree Store" from our website to place your order. [wrightswcd-tree-sale.square.site/](http://wrightswcd-tree-sale.square.site/) If needed, we can help you navigate the online ordering process at the office. Subsequently, now we will be taking payment when the order is placed. I am sure there will be a few hiccups so bear with us as we navigate the new process.

Throughout the nursery industry, high demand remains for tree/shrub stock. However, growers' capacity and growing conditions in previous seasons dictates the supply. Of course, the continued dry weather has not helped either. Most of our inventory was reserved in August and September 2022 for this spring's program. I was able to secure Tamarack and Hazelnut this year, although the tamarack will likely be smaller than in the past. Consider diversifying your planting plans to build resilience and increase benefits in your landscape. Of course, it is important that the species that you select are appropriate for your planting sites.

Conditions in 2022 seemed to be better overall than 2021 but still not ideal for seedling tree establishment. When you are planting this year, improve resiliency of your new trees by using proper planting techniques, watering, mulching, and weeding around each plant. Hardwood mulch placed in a 1-2 ft diameter around a tree can drastically reduce moisture loss and reduce competition. Remember to keep the mulch away from the stem a few inches to prevent disease. Don't forget tree protection. It's disappointing to go through all that work of planting just to come back to find your trees reduced to stubs. Newly planted deciduous trees and shrubs can be quickly destroyed by browsing mammals like deer and rabbits. Although wildlife benefit from our plantings and may even be our motivation, they tend to devour newly planted trees, especially in early spring as trees are budding and new shoots are tender. Winter can also be detrimental, when bud browsing becomes a main food source. For deciduous trees, tree tubes work great for protection and enhancing growth. For shrubs and evergreens, small wire cages, 1-2 ft in diameter and 4-5 ft tall will do the job. There also are repellent products that can be applied to deter critters, they will likely need multiple applications in a season. **Tubes and stakes need to be ordered separately from trees or plants, since the fulfillment process will be different.**

The **Native Plant Kits** will continue to be a part of our spring program. For those with limited space, small yards, and garden areas they can add diversity for pollinators, wildlife, and aesthetics. Since our pick-up time is early spring the plants that we receive are usually right out of the greenhouse or dormant from the previous year's stock. The quality of these plants has been great, but it is important to be aware of temperatures before planting outdoors. With a little necessary site prep, the **Native Seed Mixes** are another great option to add or enhance native plants in your landscape. Small native prairie gardens can provide much needed food sources and refugia for birds, pollinators, and other wildlife. More info can be found on our webpage under the Tree Program: [wrightswcd.org/tree\\_program.html](http://wrightswcd.org/tree_program.html)

Winter seems like it has been extra-long this year, maybe it was the cold maybe it was the clouds and snow. Either way anticipating spring by developing your planting plans is a great activity to get us through this chilly period as the day length slowly increases and we start to see melting. Think about your motivations and priorities as you plan. Do you want pollinator and wildlife habitat, property borders or fruit tree? Do you have priority areas? We continue to provide a variety of MN native and adapted species. We like to switch it up every year to meet demand and provide different options for returning planters. If there are species that you would like to see on the list next year, let me know. As always, we are here to help. Give us a call if you have any questions.

Sincerely, Eric Mattson – District Conservation Technician "Tree Guy"
